## A CLEAN MAN.

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and a new, clean, healthy tissues and fibers in every organ of the body. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood.

Consumption and bronchitis mean unclean lungs. Dr. Pierce's Golden Medical Discovery prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh. It doesn't make the flabby fat of corpulence, but the firm flesh of health. It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol to inebriate or create craving for injurious stimulants.

Mr. John L. Coughenour, of Glen Savage, Somerset Co., Pa., writes: "My appetite was unusually poor, and I was as weak and nervous as though I had been starved for months. My heart kept throbbing continually and I was short of breath. Finally I wrote to you for advice and you informed me that I had indigestion and a torpid liver. I did not think your diagnosis was right, but I ordered six bottles of 'Golden Medical Discovery' from you and began its use. After using three bottles I began to improve slowly and soon went to work, and I have been working ever since."

Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. They never gripe.

## APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain as long as possible one's youthful appearance.

It is impossible to do this without retaining a luxurious growth of hair.

The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness.

Newb's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use.

Herpicide makes an elegant hair dressing as well as Dandruff cure.

Accept no substitute—there is none. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

E. S. Leadbeater & Sons, Special Agents.

**STRONG Again**

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it.

Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weakens, and become diseased.

**Kodol Dyspepsia Cure**

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

## Czar Receives Zemstvo Delegation.

As has been stated in the Gazette, the Czar of Russia received the zemstvo delegation yesterday.

The reception took place at noon in the Alexander Palace, at Peterhof, Prince Troubetzkoy, president of the Zemstvo Congress of the Moscow government, in behalf of the Moscow delegation, addressed the Emperor in a long speech, in which he described the serious conditions existing in Russia which have caused the zemstvos to approach him directly.

The Emperor evidently was much impressed. M. Fedoroff, representing the St. Petersburg delegation, also spoke. The Czar replied, expressing deep regret at the great sacrifice consequent on the war, and above everything, at the disaster to the Russian navy. In conclusion, he said:

"I thank you, gentlemen, for the sentiments expressed, and I join in your desire to bring about a new order of things. My personal wish and my will as Emperor to summon a national assembly is unshakable. I await with anxiety the carrying out of this, my will. You can announce this to the inhabitants of the towns and villages throughout Russia, and from today you will assist me in this new work."

The national assembly will establish as formerly a United Russia and the Emperor will be the supreme support of the conditions based on the principle of Russian nationalism.

Upon completing his remarks the Emperor graciously greeted the individual members of the delegation, shaking hands with them and having a few cordial words for each, even such radicals as M. Petrunkevitch, president of the Moscow Agriculture Society, who has spent many years, in exile as the result of his liberal views; M. Rodicheff and Prince Shakhoffsky, known as the "Anarchist Prince," being greeted without the slightest evidence of imperial displeasure.

The fact that the Emperor not only received the bold, plain-spoken address without so much as an indication of disapprobation, but expressed full sympathy with the efforts to ameliorate the deplorable state of affairs depicted therein and in the most direct and explicit fashion renewed his promise to summon the representatives of the people, made the deepest impression on the delegation.

Princes Troubetzkoy, Lvoff and Dolgoroukoff showed not only by their manner their delight at the result of the audience, but expressed themselves as fully satisfied with the imperial assurances. So far as they are concerned they indicated that they are now ready to await the fulfillment of the Emperor's promise, which, it is believed, will not be long delayed.

The delegation is now preparing an account of the audience which will be presented to the St. Petersburg Duma today, and, in accordance with its instructions, as well as the imperial wish, will be communicated to all the zemstvos and mayors of Russia.

## Germany in the Caribbean Sea.

A dispatch from San Juan, P. R., says that evidences multiply to show that Germany intends to press hard for commercial supremacy in the Caribbean Sea and that England is voluntarily realizing the force of the Monroe doctrine.

It is considered significant that the Danish Asiatic Company, a wealthy corporation doing business with the far East, recently acquired Water Island in the harbor of Charlotte Amalia, St. Thomas, at once commenced to erect there a coaling station on an extensive scale and then turned over a controlling interest to the Hamburg-American Steamship Company. Thus under a Danish mark Germany gets a long and openly covered occupation.

Jamaica is openly discussing the annexation of all British West Indies to the United States and believes it must come soon. The abolishing of the West Indian agricultural department, the proposal to withdraw all white troops, the abandonment of Port Royal as a naval station and the cutting off of the West Indian mail subsidy by the British government are all freely criticized. Indeed throughout the West Indies all eyes seem to turn now to the United States.

Observations made in St. Thomas show that German occupancy there is resented by 90 per cent. of the people, and that prompt union with the United States is desired.

The natives concede the fairness and kindness of Danish rule, but point to the inability of Denmark to lift them from the slough of dependency. They believe that in some way the United States might continue St. Thomas as a free port, the tariff question being the one great stumbling block in their discussions. The low prices in St. Thomas, especially for liquors, are now the sole financial salvation of the island. With higher prices many ships that now call would pass by St. Thomas.

There is a generally increasing agitation of the general annexation question. The influence of the Panama canal is already widely felt.

## WOMEN'S NEGLECT

SUFFERING THE SURE PENALTY

Health Thus Lost Is Restored by Lydia E. Pinkham's Vegetable Compound.

How many women do you know who are perfectly well and strong? We hear every day the same story over and over again. "I do not feel well; I am so tired all the time!"

More than likely you speak the same words yourself, and no doubt you feel far from well. The cause may be easily traced to some derangement of the female organs which manifests itself in depression of spirits, reluctance to go anywhere or do anything, backache, bearing-down pains, flatulency, nervousness, sleeplessness, leucorrhoea. These symptoms are not warnings that there is danger ahead, and unless remedied a life of suffering or a serious operation is the inevitable result. The never-failing remedy for all these symptoms is Lydia E. Pinkham's Vegetable Compound.

Miss Kate McDonald, of Woodbridge, N. J., writes:

"I think that a woman naturally dislikes to make her troubles known to the public, but restored health has meant so much to me that I cannot help from telling mine for the sake of other suffering women. For a long time I suffered untold agony with a uterine trouble and irregularities, which made me a physical wreck, and no one thought I would recover, but Lydia E. Pinkham's Vegetable Compound has entirely cured me, and made me well and strong, and I feel it my duty to tell other suffering women what a splendid medicine it is."

If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write to Mrs. Pinkham, Lynn, Mass., for special advice—it is free and always helpful.

## Torture of a Preacher.

The story of the torture of Rev. O. D. Moore, pastor of the Baptist church, of Harpersville, N. Y., will interest you. He says: "I suffered agonies, because of a persistent cough, resulting from the grip. I had to sleep sitting up in bed. I tried many remedies without relief, until I took Dr. King's New Discovery for Consumption Coughs and Colds, which entirely cured my cough, and saved me from consumption. A grand cure for diseased conditions of Throat and Lungs. At E. S. Leadbeater & Sons, druggists, price 50c and \$1.00, guaranteed. Trial bottle free."

## Found a Cure for Dyspepsia.

Mrs. S. Lindsay, of Fort William, Ontario, Canada, who was suffering quite a number of years from dyspepsia and great pains in the stomach, was advised by her druggist to take Chamberlain's Stomach and Liver Tablets. She did so and says, "I find that they have done me a great deal of good. I have never had any suffering since I began using them." If troubled with dyspepsia or indigestion why not take these Tablets, get well and stay well? For sale by Gibson & Timberman and W. F. Creighton & Co.

## FOR OVER SIXTY YEARS

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea, is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

## Quality vs. Quantity.

Hard muscles and strong body do not depend on the quantity of food you eat, but on its perfect digestion and proper assimilation. When you take Kodol Dyspepsia Cure your system gets all the nourishment out of all the food you eat. It digests what you eat regardless of the condition of the stomach and conveys the nutrient properties to the blood and tissues. This builds up and strengthens the entire system. Kodol cures Indigestion, Dyspepsia, Belching, Sour Stomach, Weak Heart, etc. Sold by W. F. Creighton, 401 King Street, and corner Queen and Patrick.
